CEOSleepout

MANCHESTER

Monday October 15th 2018

Emirates Old Trafford

Why Attend?

Right now in Manchester somebody is thinking about where they are going to sleep tonight. Homelessness is not a choice, and every person hit by extreme poverty has a story to tell. We work with partner charities in our host cities who know how best to help those in crisis, and charities that work hard to help people break out of the poverty cycle.

Giving up your warm bed and hot shower for just one night will help us to raise vital funds to combat poverty and homelessness. Join together with other execs and business leaders to help us create a fairer Manchester.

What will you need to do?

- Aim to raise a minimum of £1000 on Just Giving by asking all your contacts, colleagues, friends and family to sponsor your night sleeping under the stars. You can create your Just Giving page using this link:

www.justgiving.com

- Bring lots of warm clothes, a good quality outdoor sleeping bag, pillow and sleeping mat or cardboard.

What will we do for you?

- Publicise your involvement on our media channels
- Keep you updated with information on the lead up to the event and post-event
- Provide support with setting up your fundraising page & help you to promote it on twitter
- Ensure hot drinks and access to toilet facilities are available at the event

What are you waiting for? BOOK YOUR PLACE TODAY!
