

LCF Knock Out Cup Competition 2020

Guidelines

Cricket Clubs from Leagues who are affiliated to the Lancashire Cricket Foundation (LCF) are eligible to qualify to enter the LCF Knock Out Cup Competition, provided that the league operates the LCF registration and transfer system, or another registration and transfer system which is approved by the LCF Recreational Sub-Committee.

A club shall only be allowed to enter a County Knockout Competition in one county in any season. Qualification is based on a club's league finishing position only. Clubs with dual affiliation will need to let their respective leagues know by April of each season if they wish to enter the LCF Knockout Cup Competition for the following season (If they were to qualify).

The League then needs to let Ray Taylor (rtaylor@lancashirecricket.co.uk) know before the 1st Round of league fixtures.

Draw

The closing date for receipt of entry forms from Leagues shall be September 30th each year, so that the draw can be made at the next LCF Recreational Sub-Committee or another suitable date/time.

The LCF Recreational Cricket Sub-Committee shall agree and set the dates that each round shall be played. There will be no extension to the 'default' set play on dates. In the event of rain on the last possible date the match could be played, the Competition rules about bowling at the stumps or a coin toss will apply. This clause may be applied on the first or subsequent date provided both Captains agree. Where a team agrees to play away, having been originally drawn at home, it then gives up all advantages applicable to the team drawn at home. Similarly, the club taking over the home draw accepts all the responsibilities and duties of the home club.

Clubs that cannot provide a facility other than a parks pitch, or playing field must play on their opponent's ground, except when they are drawn against a club with similar facilities. Where the venue is reversed, the cost of ground hire and provision of refreshments between the innings will be split between the two clubs. (The cost of ground hire is only to be split if the club must hire a ground in order to reverse the fixture.)

In all cases games shall be of 45 over's per innings. Reduced over games shall not be arranged unless rain intervenes on the agreed date or matches are to be played on an evening.

Should there be no result achieved on the date arranged for the Final, the match shall be played on the reserve date.

Admission / Match Expenses

The admission charge (if taken) shall be according to the custom of the ground where the match is being played.

The Away Club shall be responsible for their own travelling expenses. The Home Club shall be responsible for providing 13 x teas (12 Players + Scorer) free of charge to the visiting Club. In addition, 2 x teas will be provided for the Umpires.

Umpires

Each League represented shall nominate a minimum of 6 x Umpires. The Umpires will be appointed to officiate in each match shall each receive Expenses of £40, fixed annually by the LCF Recreational Cricket Sub-Committee, which will include travelling expenses. The cost of the fees will be shared by the two clubs and must be paid to the Umpires no later than the tea interval. The umpires for the final will be appointed by the LCF in conjunction with Lancashire ACO.

Any Club that concedes a game will not be eligible to play in the LCF Knock Out Cup Competition the next time they are eligible to qualify. The team who finished below them in the League shall replace them

Cricket is a game that owes much of its unique appeal to the fact that should be played not only within its Laws, but also within the Spirit of the Game. Any action, which is seen to abuse this spirit, causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the Captains.

There are two Laws, which place the responsibility for the team's conduct firmly on the Captain **Responsibility of the Captains**

The Captains are responsible at all times for ensuring that play is conducted within that Spirit of the Game as well as within the Laws.

Players' Conduct

In the event that any Player failing to comply with the instructions of the Umpire, criticising his decision by word or action, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the Umpire concerned shall in the first place report the matter to the other Umpire and to the Player's Captain requesting the latter to take action.

Fair and Unfair Play

According to the Laws the Umpires are the sole judges of Fair and Unfair play. The Umpires may intervene at any time and it is the responsibility of the Captain to take action when required.

The Umpires are authorised to intervene in the cases of:

- ❖ Time wasting
- ❖ Damaging the pitch
- ❖ Intimidatory bowling
- ❖ Tampering with the Ball
- ❖ Any other action that they consider to be unfair

The Spirit of the Game involves RESPECT for:

- ❖ Your opponents
- ❖ Your own Captain and team
- ❖ The role of the Umpires
- ❖ The game's traditional values

It is against the Spirit of the Game to:

- ❖ Dispute an Umpire's decision by word, action or gesture
- ❖ Direct abusive language towards an opponent or Umpire
- ❖ Indulge in cheating or any sharp practice, e.g.

(a) Appeal, knowing the batsman is not out

(b) Advance towards an Umpire in an aggressive manner when appealing

(c) Seek to distract an opponent either verbally or with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side

Violence

There is no place for any act of violence on the field of play.

Players

Captains and Umpires together set the tone for the conduct of a cricket match and every player is expected to make an important contribution to this.
