## INTRODUCTION TO THE LANCASHIRE DISABILITY PATHWAY

Lancashire Cricket Foundation is proud to showcase the Player Pathway for people with disabilities playing cricket across Lancashire. We support multiple opportunities for people with disabilities to play cricket at a level to suit their ability. Lancashire Cricket Foundation manages the disability pathway for girls and boys from junior recreational level up to senior county representation.

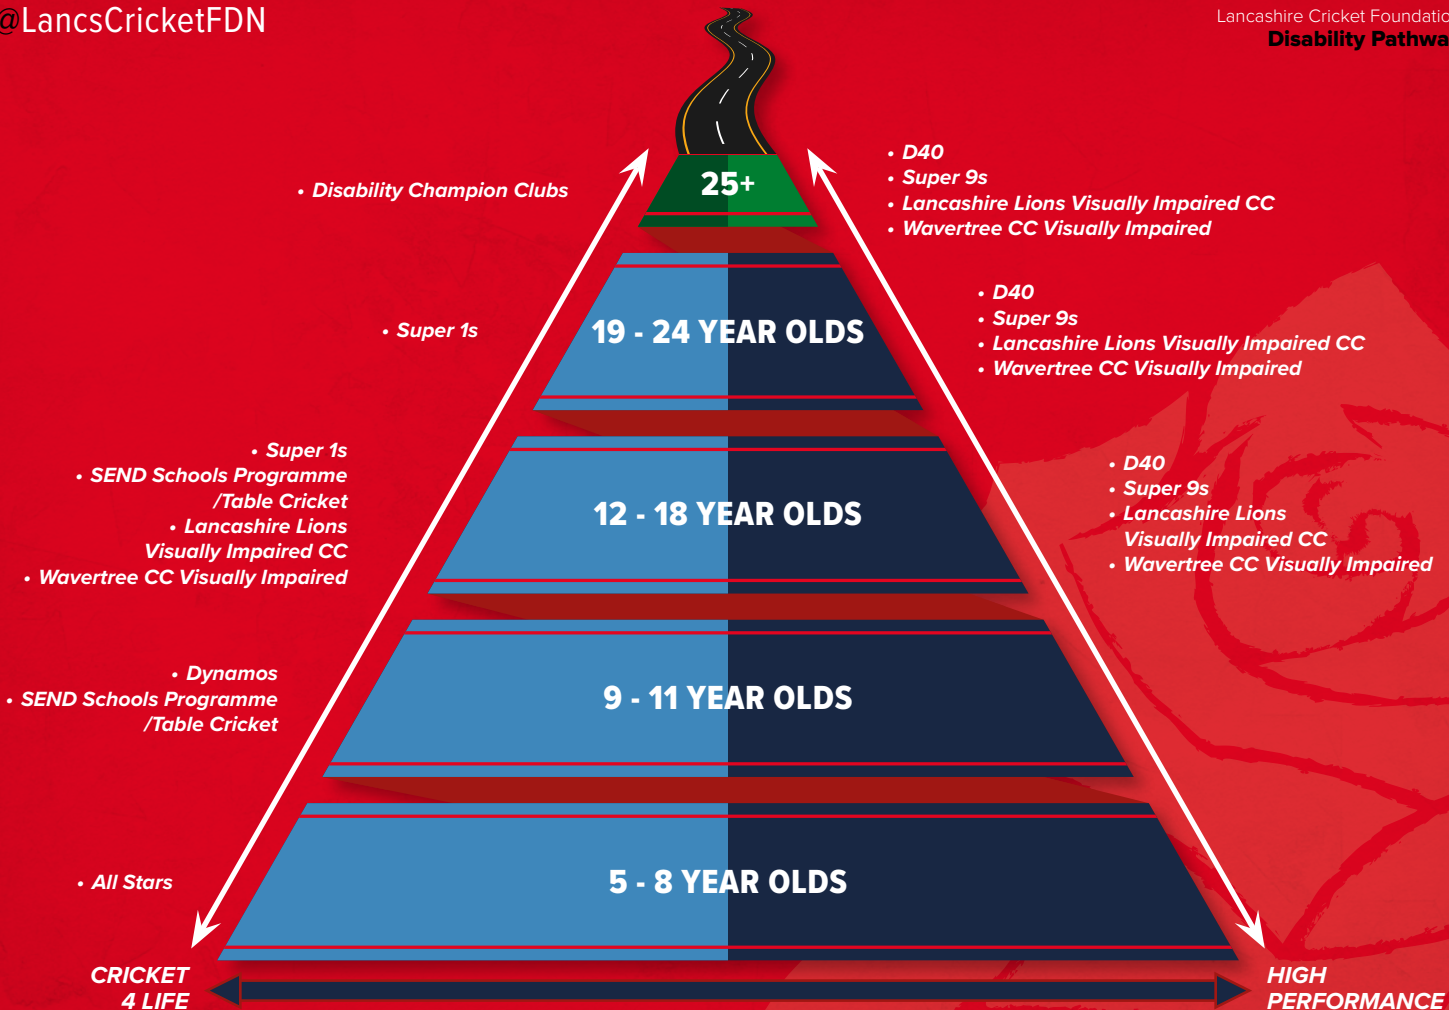

*"This pathway is vital for both male and female players with disabilities to participate, learn and progress their cricket towards their potential. Numerous players have progressed from hitting tennis balls in sports halls to representing Lancashire in county competitions. Long may that continue."*
