“We have taken part in this project for the last 3 years and you can see an improvement in the ability of the pupils who have taken part year on year. It has also inspired a number of children to participate in local cricket”

Washacre Primary School, Bolton

“The Year 5 children that took part really enjoyed the sessions with Emily. The sessions were engaging, and activities were suited to the children and their learning. The coach also helped the teachers in the Year group to develop their own knowledge when teaching cricket in the future. All children improved during the sessions and it was wonderful to watch”

Lowton West Primary School, Wigan

“Children loved their session with Aaron. Both year 3 teaching staff learnt loads of useful skills and games during their time out with Aaron for CPD. What was really amazing is that the sessions are really inclusive for children with SEND needs”

Ashton West End Primary Academy School, Ashton-under-Lyne

“The children who participated in sessions really enjoyed it. Not many of them knew how to play cricket and the skills involved”

Higher Failsworth Primary School, Oldham

“Coach was brilliant. Really organised and professional”

Crossgates Primary School, Rochdale

“The enthusiasm and enjoyment shone through as the pupils talked about the sessions. They had a full understanding of what they had been doing, describing the skills they had been learning and the games they had played. My favourite was the demonstration of the star to learn how to bowl. I’m so impressed with what coach Andy has done with them”

The Valley Primary School, Bolton

“Loved it. Thank you for everything”

Salesbury Primary School, Blackburn
